COMMISSION BACKGROUND

The Commonwealth War Graves Commission (CWGC) honours the 1.7 million men and women of the Commonwealth forces who died in the First and Second World Wars, ensuring they will never be forgotten. Our work commemorates the war dead, from building and maintaining our cemeteries and memorials at 23,000 locations in more than 150 countries to preserving our extensive records and archives. Our values and aims, laid out in 1917, are as relevant now as they were 100 years ago.
KEY RESPONSIBILITIES and ACCOUNTABILITIES OF THE ROLE

General

• Participate in various manual activities of the team.

• Visit regularly all sites within the group to plan the required horticultural work in order to achieve standards of excellence. Ensure that the program of work is completed by the team to the Commission’s standard.

• Keep a diary of the main daily activities throughout the year.

• Notify the Works Department of structural damage. Notify the Sector Supervisor of any future or ongoing development in the vicinity of the cemetery or memorial. Report any instances of degradation and maintenance problems.

• Oversee the correct use and maintenance of the group’s vehicles, informing the Transport Section in Area if problems occur.

• Oversee the correct use and maintenance of machinery with the aim of optimising the life of the machine. Store machinery correctly. Discuss any machinery needs with the Sector Supervisor.

• Prepare the annual group renovation work program with the support of the Sector Supervisor. Amend the renovation program on a monthly basis as the work is completed.

• Report any vandalism or degradation to the appropriate authorities, and inform Administrative Department of the Area office as soon as possible.

• May represent the Commission at ceremonies or meetings.

• Provide direction and other information to visitors.

• Actively participate in various activities of the Department, of the Commission in general, according to operational need and managers requests.

• Ensure that safe working practices and the Commission’s Health and Safety policies and procedures are observed at all times by himself/herself and the members of his/her group. Follow procedure for accidents at work, complete paperwork and investigation as necessary.

Job functional knowledge

• Fully understands the Commission's horticultural standards.

• Ensure the maintenance of horticultural machinery and equipment.

• Knowledge of the Commission's policies and procedures.

• Reports machine and equipment failures to the Area Office and organizes maintenance or repairs.

• Ensure compliance with health and safety requirements.

• Pragmatic and practical.
